

Side Mount Centre Post - 900-1300mm - Hand Rail (Model: KSS.PRESI.1300.HR.CENTRE.SS)

- Our glass balustrade posts are manufactured to the highest quality and in 316 grade stainless steel.
- The main post is clamped within the mounting bracket.
- The standard handrail bracket is for 48.3mm diameter tube.
- Designed to finish at 1300mm high with the handrail installed.
- Three clamp configurations available as standard designed to finish 1100mm above floor level.
- Other angles and clamp positions are available on request as all the posts are manufactured in house.
- The post is flow drilled and M8 tapped for the easy and accurate mounting of the selected clamps.
- **Glass clamps must be purchased separately.**
