

15mm Antique Brass U Channel For 10mm Thick Glass (Model: G7013AB)

*Stock picture - Actual product colour may differ

- Suitable for 10mm thick glass.
- The most popular U channel for bespoke shower enclosures.
- The depth of the channel is ideal for disguising any discrepancy in the plumbness of the wall, allowing for the glass to be cut straight.
- The glass is generally held in the profile by silicone or similar adhesive.

N.B. Actual colours may vary depending on lighting conditions and your screen settings. Please note that slight colour differences between batches are possible and do not affect the product's quality. The shade of Antique Brass may also differ from batch to batch.
