

Technical drawing of the glass edge profile. The drawing shows a cross-section of the glass edge with a total height of 34mm. The profile is divided into three sections with widths of 29mm, 32mm, and 46mm. The 29mm section contains two circular holes with a diameter of $\varnothing 10 / \varnothing 12\text{mm}$. The 46mm section contains a circular hole with a diameter of $\varnothing 10 / \varnothing 12\text{mm}$ and a larger circular feature with a diameter of $\varnothing 34\text{mm}$. The 32mm section is a flat edge. The drawing is labeled "Glass Edge" at the top.
