

Nedo Messfix Telescopic 3M With Case (Model: C0024)

The Nedo mEssfix is a thoroughly tried-and-tested telescopic measuring stick, designed to measure the widths of openings. Nedo mEssfix - the original. Simply place the mEssfix in position, pull out the extensions and read off the measurement from the analogue display. A two-way spirit level attached to the outer tube facilitates taking vertical and horizontal measurements. The built-in metal measuring tape and the heavy-duty rewind mechanism are made to withstand severe stresses and to guarantee accurate measurements at all times. Thanks to its ease of use, reliability and sturdiness, the Nedo mEssfix has become indispensable in most skilled trades, such as in window frame making or interior outfitting. All mEssfix units conform to accuracy class II Features: Rugged telescopic measuring stick Housing made of impact-resistant plastic Bubble for horizontal and vertical alignment Sections made of sturdy, rectangular-profile aluminium Supplied with case as a standard Made in Switzerland
