

1100mm 135 Degree Balustrade Post Inc. Clamps For 10mm Glass (Model: KSS.PRE.48.1100.316SS.135)

- Our glass balustrade posts are manufactured to the highest quality and in 316 grade stainless steel.

- The main post is welded to the mounting base and has a 2.0mm thick wall for extra strength.

- The standard handrail bracket is for a 48.3mm diameter.

- Designed to finish at 1100mm high if used with a flat cap and 1228mm with the handrail bracket & handrail installed.

- Other angles, clamp positions and heights are available on request as all the posts are manufactured and fabricated in house.

- The post is flow drilled and M8 tapped for the easy and accurate mounting of the selected clamps.

- The mounting base has hole centers of 90mm
